

## WHAT IS A SELECT?

Select attendees are carefully vetted to ensure optimized, **executive-level benchmarking** and consultative **1:1 meetings with top solution providers**. This invite-only event has everything from panel discussions to networking activities and focuses on making your interactions highly tailored for you and your organizations' needs/objectives. **Plus, your hotel costs are fully complimentary.**

## BENEFITS OF ATTENDING

- 1

### Connect with the Right People

Engage in private 1:1 meetings and peer-level conversations with senior leaders shaping the future of GBS, finance, IT, and operations. These are the connections that drive real outcomes.
- 2

### Learn What's Working Now

Discover how top enterprises are applying AI, automation, and digital tools in real time to elevate performance, reduce costs, and enable enterprise agility.
- 3

### Leave with a Playbook, Not Just Ideas

Gain practical, executive-level strategies to scale GBS operations, develop future-ready teams, and position your function as a driver of transformation, not just support.
