

Additive Manufacturing

for Aerospace, Defence & Space

27 - 28 February 2024 / Ashton Gate Stadium, Bristol, UK

**SPONSORSHIP &
EXHIBITION PROSPECTUS**

WELCOME LETTER

Dear colleague,

I am delighted to welcome you to the Additive Manufacturing for Aerospace, Defence, and Space conference on the 27th and 28th of February 2024 at the Ashton Gate Stadium in Bristol.

As the premier event, we are committed to providing an enriching and immersive experience, connecting leading experts, professionals and innovators in the field of additive manufacturing. This two-day conference has been carefully curated to explore the latest advancements, challenges, and breakthroughs since our previous conference.

Attend this conference, and look forward to insightful keynote speakers from pioneers who will share their visions and experiences, paving the way for the future of additive manufacturing. Exclusively this year, we invite you to engage in workshops specifically designed to allow you to collaborate with peers, exchange ideas, and address critical issues shaping the industry. This conference will enable you to forge valuable connections and renew existing ones with industry professionals, potential partners, and thought leaders during the scheduled networking sessions, ensuring meaningful interactions throughout the event.

This conference will take place in the city of Bristol, a hub for research and innovation in advanced manufacturing technologies and a business ecosystem to support it, with the opening of AM research centres based on industry and government funding.

Thank you for joining us on this remarkable journey of exploration and innovation. We eagerly anticipate your participation and the opportunity to connect with you in Bristol.

See you in February 2024!

Best regards,

Patrick Osbourne

KEY JOB TITLES OF ATTENDEES

- 3D printing process engineer
- Additive Manufacturing Manager
- Additive Manufacturing and Space Lead
- Additive Manufacturing Chief Engineer
- Additive Manufacturing Engineer
- Additive Manufacturing Project Manager - Space
- Additive Manufacturing R&D Project Leader
- Additive Manufacturing Roadmap Leader
- AM Product Manager
- Associate Director and Group Manager, Advanced Manufacturing Technologies
- Associate Director of Additive Manufacturing Operations
- CIO
- Chief Engineer
- Chief Manufacturing Engineer
- Chief Materials Engineer
- Chief Scientist of Fatigue and Damage Tolerance
- Corporate Business Development, Communication and Marketing Director
- CTO
- Design Engineer
- Director of Additive Design and Manufacturing
- Director of Additive Strategy - Engineering
- Director Programs
- Director, Industry Consortia and Partnerships
- Director, National Centre for Additive Manufacturing Excellence (NCMAE)
- Enterprise Account Director
- Founder
- Future Propulsion Lead
- General Manager
- Head of Additive Manufacturing
- Head of Airframe Engineering - MPEF Additive Manufacturing
- Head of Corporate Strategy & New Business
- Head of Department
- Head of Industrial Components and Qualification
- Head of Manufacturing for Space
- Head of Manufacturing Technologies
- Head of Marketing
- Head of Materials and Processes Section
- Head of Mechanical Engineering
- Head of the Structures Mechanisms and Materials Division
- Industrial Membership Sector Manager - Aerospace & AEM
- ICAE Lead
- Machines & Systems Engineer
- Managing Director
- Manufacturing Engineer
- Manufacturing for Space Lead
- Material & Process Technologies CTO
- Materials & Process Engineer
- Mechanical Engineer
- Mechanical Industrial Capability Manager
- Principal Engineer, Additive Manufacturing
- Principal Mechanical Engineer
- Product Manager - Laser Systems
- Professor of Laser Engineering
- R&D Advanced Manufacturing Manager
- Regional Business Director UK and Nordic
- Regional Sales Manager
- Research & Development Manager
- Research and Development Manager
- Senior Director of Advanced Engineering and Technology
- Senior Mechanical Engineer
- Senior Researcher
- Senior Scientist
- Specialist Additive Manufacturing
- Structures & Materials
- System Engineering
- Team Leader
- Technical Director
- Technical Expert - Advanced Material Technologies
- Technical Expert - Manufacturing
- Technical Specialist
- Technical Specialist, Material Technology
- Technologies Development Manager
- Technology Advisor
- Technology Capability Delivery Director
- Vice President of Global Aerospace and Defence
- Vice President, Quality and Continuous Improvement
- VP&D
- VP, Additive Manufacturing
- VP, Global Advanced Manufacturing Programs
- Work Package Leader of Additive Manufacturing

BENEFITS OF ATTENDING

The Additive Manufacturing conference will be held in Bristol, the hub for advanced manufacturing for aerospace, space and defence applications. Welcoming 150 senior heads of additive manufacturing and advanced engineering from the world's leading OEMs and R&D organisations, this conference will explore requirements, address challenges and propose solutions to scale manufacturing and achieve a faster time to market with feasible economic returns. Exclusive to this years event, we will host interactive workshops addressing procurement cultures and the digitalization of AM. We will also welcome the contributions of Lieutenant Colonel Ramon Macias, Project Coordinator (Material Management) at NATO Allied Command Transformation, John Swadner, Propulsion Director, US Air Force Life Cycle Management Centre, and Dr Prabhat Singh, Director, Additive Manufacturing, RTX.

KEY FUNDING AREAS

- AM Machinery
- Software
- Powders & Materials Inputs
- Post-Processing
- Quality Assurance

ATTENDEE PROFILE

SPONSORSHIP OPPORTUNITIES

NETWORKING

We can create a platform for you to effectively interact with your top customers and prospects in the environment of your choice.

- Exhibiting
- Sponsored Drink Reception
- Lunch & Learn

THOUGHT LEADERSHIP

If you think that you should be viewed as a true industry leader then your need to demonstrate your market knowledge and expertise through a thought leadership opportunity, such as speaking or chairing.

- Main Day Presentation
- Panel Sponsorship
- VIP Breakfast Briefing

BRANDING

In a fiercely competitive market you need to ensure that your brand is differentiated from the competition.

- Welcome Bag
- Lanyard Sponsor
- Badge Sponsor
- Seat Drop
- Keycard Sponsorship
- WiFi Sponsor

SPONSORSHIP BENEFITS

- ✓ **Demonstrate thought leadership:** Speaking on the program will allow you to demonstrate your market knowledge and expertise to an audience of high-level decision-makers
- ✓ **Positioning your company brand:** Commitment to this event positions you and your organisation as a global industry player.
- ✓ **Building customer loyalty:** Face-to-face contact at conferences and showing continued support of the market help develop client loyalty and cement your position as an industry player.
- ✓ **Generate new sales leads:** The Additive Manufacturing Conference will bring solution providers and key decision-makers together under one roof, all with solid business reasons for attending the event.
- ✓ **Launch new products or services:** With the most senior figures from the military and industry in attendance, plus carefully selected media partners at the event, generate a buzz.

Four Star Lead Partner *Prices available on request*

Intellectual Contribution & Thought Leadership

- Four Star Lead Partner Welcome Address
- Prime 30-Minute Speaking Slot – Day 1
- Strategic Panel Discussion – Shaped by Sponsor
- 8 x Conference Attendee Passes

Strategic Engagement Activity

- Sponsor of Chairman's Breakfast/Dinner for 30 Guests – Day 1
- Private Meeting Room
- Provision of the event delegate list

Brand Awareness at the Event

- 6m x 2m Exhibition Space
- Lanyard sponsorship
- Registration area signage logo feature
- Conference podium signage logo feature

Pre-Event Marketing Activities

- Prominently feature your corporate logo on all event promotional materials, including the brochure, website, and social media
- Highlight your company profile in the event brochure and on the website. This should include a brief overview of your company, its products or services, and its mission
- Be included in the event marketing campaign activity. This could involve being featured in email marketing campaigns, social media posts, or paid advertising

Three Star Partner *Prices available on request*

Intellectual Contribution & Thought Leadership

- 30-Minute Speaking Slot – Day 1/2
- Panel Discussion Seat
- 6 x Conference attendee passes

Strategic Engagement Activity

- Sponsor of either Conference Welcome Breakfast/Drinks Reception – Day 1
- Private Meeting Room
- Provision of the event delegate list

Brand Awareness at the Event

- 6m x 2m Exhibition Space
- Registration area signage logo feature
- Conference podium signage logo feature

Pre-Event Marketing Activities

- Prominently feature your corporate logo on all event promotional materials, including the brochure, website, and social media
- Highlight your company profile in the event brochure and on the website. This should include a brief overview of your company, its products or services, and its mission
- Be included in the event marketing campaign activity. This could involve being featured in email marketing campaigns, social media posts, or paid advertising

Two Star Partner (A)

Prices available on request

Intellectual Contribution & Thought Leadership

- 30-Minute Speaking Slot
- Panel Discussion Seat
- 4 x Conference attendee passes

Strategic Engagement Activity

- Provision of the event delegate list

Brand Awareness at the Event
