ABOUT THE SUMMIT

SECURING AIR SUPREMACY FOR THE FUTURE MULTI-DOMAIN BATTLE

Join us for the annual IDGA Air Dominance Summit on May 12 & 13 at the Westin Hotel Lake Las Vegas in Henderson, Nevada. Thought leaders from the U.S. Air Force, U.S. Navy, allied nations, and industry will guide us through discussions on sixth-generation fighter programs, including NGAD, F/A-XX, and CCA programs.

We will discuss next-generation capabilities, electronic warfare, weapon systems, kill chains, logistics, testing, training, and more. Conversations will cover cutting-edge technology, current system maintenance and sustainment, and theater-specific challenges.

We look forward to welcoming you to this event to advance capabilities and air dominance efforts.

Sincerely,

Emma Rosenzweig
Conference Producer
