

# INTELLIGENT AUTOMATION CANADA 2019

**NEW INTERACTIVE WORKSHOPS  
BRING YOUR "THINKING CAP"**

## **Build Your RPA Center of Excellence with LOBLAW COMPANIES**

Do you want to set your company apart as a leader in the RPA space? Is your goal to stand alone from the competition? Join this workshop and you will be able to create a road map, building out a tangible business case to take back to your organization. The discussion will be led by a successful early adopter of RPA with experience of setting up the CoE for a leading global brand. You will then join breakout sessions for an interactive learning experience led by both leadership and practitioner.
