2025 SPONSORS

OUR CLIENTS

'You can't underestimate the networking opportunities. Meeting people from the industry and hearing what they are thinking about, what's keeping them up at night, and how we can collaborate to solve these problems is invaluable'

Claudia Beumer, Membership and Communications Manager, SGMF

'Coming to these events yearly is becoming increasingly important because of the rapid change within the LNG industry when compared to 10 years ago'

Ilayda Genc, Business Manager Renewable Fuels & Chemicals, Port of Rotterdam

'I would advise you to come to the conference to get good insight into the bunkering and future fuel industry, all the key players are here'

Henrick Thunborg, Business Developer LNG, MannTek
