VISITOR SHOW GUIDE

CUSTOMER EXPERIENCE REDEFINED:

HARNESSING CUSTOMER INSIGHTS AND CUTTING-EDGE TECHNOLOGY

In 2024, the role of customer experience will remain paramount in shaping the success and reputation of businesses in every industry, with 52% of customers willing to move to an organisation's competitor because of a single bad experience.

THIS LEAVES ORGANISATIONS WITH LESS ROOM FOR ERROR THAN EVER BEFORE.

With rapidly evolving technology and higher customer expectations, near-instantaneous customer service, tailored experiences and seamless customer interactions between multiple touchpoints will be essential to retail even your most loyal customers.

That's why it's crucial for your organisation to leverage the latest advancements in AI, insights gained from a robust customer data strategy and seamless customer service to anticipate and exceed customer needs and preferences.

Join 2500+ of your peers and colleagues from across the entire customer experience ecosystem at The Customer Show to hear practical case studies from leaders in customer experience and gain invaluable insights, strategies, and be at the cutting edge of the latest advancements in customer experience.

WHAT'S NEW IN 2024:

100+ SESSIONS
from leading industries and brands in Australia and the world

2 INTERNATIONAL,
in-depth and interactive masterclasses

A BRAND NEW,

WHAT'S NEW IN 2024?

OUR BIGGEST INTERNATIONAL SPEAKER LINEUP

This year, we'll be hosting three international speakers from the USA, UK, and New Zealand to help you stay at the cutting edge of the strategies and methodologies revolutionising the customer experience around the world.

A NEW GROUND- BREAKING, CITIZEN SERVICES STAGE

We're launching our citizen services programme, exclusively tailored to the challenges and goals of our public sector attendees. With 15 speakers from across Federal, State and Local government, this will offer attendees a tailored and in-depth view on the public sector perspective on delivering an exceptional customer experience.

A NEW START-UP ZONE

We take innovation seriously so at next year's show we're introducing our start-up zone to ensure that you connect with the newest and most cutting-edge providers in the start-up world.

OUR BIGGEST LINEUP OF CASE STUDIES EVER

Our speaker lineup at the customer show showcases the most practical case studies we've ever had - 50+ personalised case studies from leaders across enterprise and government including Alinta energy, City of Port Phillip, Samsung, NIB, NRMA, IP Australia, the Foxtel Group, Suncorp, The City of Sydney, Movember, AstraZeneca, Milkrun, Woolworths, Virgin Australia, the ABC and many, many more!

INTERNATIONAL MASTERCLASS

Exclusive to Premium Visitor Pass holders only - limited passes available

Developing your Voice of Customer (VoC) and Personalisation strategies are two of the most critical components of delivering an exceptional customer experience.

A choice between two 60-minute masterclasses (please link to info on masterclasses) packed with practical insights on these topics. Led by two international thought leaders from the USA and UK, leave The Customer Show this year with more than just new connections and ideas - upskill yourself on these critical areas.

CITIZEN SERVICES

Discover why customer experience is the cornerstone of effective government services. Our brand-new stage citizen services is designed to help reshape the future of government-citizen interactions.

THE CUSTOMER SHOW INTERNATIONAL MASTERCLASSES

DAY ONE, 7TH MAY

(4:15 – 5:15 PM)

PERSONALISATION IN CX MASTERCLASS:

Masterclass Facilitator

GIANFRANCO CUIZZIO

International Personalisation and CRM Lead
Avon Cosmetics, UK

**AVAILABLE
TO PREMIUM PASS
HOLDERS ONLY**

Gianfranco has over 20 years' experience in CRM, Loyalty and Personalisation.

Most recently he led CRM and Personalisation for Natura & Co working with the four iconic brands of Aesop, Avon, Natura and The Body Shop.

Prior to transitioning to a Group role, he was at Aesop where he was responsible for Global CRM including Recognition and Replenishment. Joining Aesop in 2019 he transformed the brand's capabilities in how they directly engage with customers across their markets and regions. Those

capabilities centred on delivering technology, people and data to support Aesop's truly unique vision of understanding the customer.

Most recently he has been working with Avon to transform their personalisation and CRM capabilities.

Prior to his Natura & Co roles, Gianfranco spent most of his career agency side working with brand as diverse as BMW, adidas, BT, Disney and easyjet to name but a few.

UNLOCKING THE POWER OF PERSONALISATION IN CUSTOMER EXPERIENCE: HOW TO CREATE TAILORED AND RELEVANT CUSTOMER EXPERIENCES

In this interactive workshop, Gianfranco Cuizzio will break down the key strategies to leveraging personalisation as a key component of your customer experience.

MASTERCLASS OVERVIEW:

✓ In this masterclass, attendees will learn how to:

- ✓ Leverage personalisation technologies and tools
- ✓ Measure and optimise your personalisation efforts
- ✓ Utilise behavioural targeting and predictive analytics

- ✓ Develop content personalisation strategies
- ✓ Deliver personalised experiences across all your organisation's channels

THE CUSTOMER SHOW INTERNATIONAL MASTERCLASSES

DAY Two, 8TH MAY

(2:40 – 3:40 PM)

PERSONALISATION IN CX MASTERCLASS:

Masterclass Facilitator

ALEX GENOV

Head of Customer Research and Insights
Zappos Family of Companies, USA

**AVAILABLE
TO PREMIUM PASS
HOLDERS ONLY**

Alex is an experienced customer research professional who applies his Experimental Social Psychology background and his passion for research, design, and innovation to solving important customer and business problems. His professional goal is to help teams create remarkable products and services which make people's lives easier and more enjoyable.

Currently Alex is leading Customer Research for the Zappos Family of Companies. In previous positions, he was responsible for research and

usability of the products and services for companies like TurboTax (Intuit), State Farm Insurance, and the Active Network. He has over 25 years of relevant experience – 5 years of academic research and over 20 years of customer research in the software industry. Alex received his PhD in Experimental Social Psychology. His areas of research include: defining and measuring emotions, individual differences, usability, and consumer segmentation.

STRATEGIES FOR BUILDING EFFECTIVE VOC PROGRAMS

In this hands-on masterclass, Alex Genov will guide attendees through the essential components of a successful Voice of Customer (VoC) program. Participants will gain practical insights and actionable strategies to harness the power of customer feedback and drive business growth.

MASTERCLASS OVERVIEW:

In this masterclass, delegates will learn how to:

- ✓ Design an effective VoC Program
- ✓ Analyse and Interpret Customer Feedback
- ✓ Understand the importance of closing the loop with Customers
- ✓ Measure the impact
- ✓ Implement continuous improvement strategies

ANNOUNCING HEADLINE SPEAKER

NICOLE MATHIAS-BROWNE

Chief Marketing Officer, Mercer Super

Nicole joined Mercer Super in March 2023 to drive an increased focus on growth and retention via multi-channel personalised experiences. Her portfolio includes marketing strategy, consumer and business marketing, communications, digital, content, customer experience and engagement.

Nicole was previously at Colonial First State for 10 years, most recently as head of marketing, leading a team of 60 marketing professionals who were responsible for delivering growth via 1 million members and over AU\$150b assets. Previously she held senior marketing roles at MLC, ANZ and ING Australia. Nicole brings a strong consumer and growth marketing background and a proven track record in leading high-performing teams through dynamic environments.

She holds a Bachelor of Communications and a Master of Marketing from University of Technology Sydney. Nicole lives in Sydney with her husband Michael and daughter Mikaela. Outside of work she enjoys cooking, eating out, reading and indulging in reality television.

WHERE YOU CAN CATCH NICOLE IN ACTION AT THE CUSTOMER SHOW 2024:

1. Keynote address at the Digital Marketing Programme

Nicole will deliver an engaging keynote on **“Building the business case for delivering exceptional digital experiences”**

2. Panel Discussion at the Digital Marketing Programme

Nicole and Kieran Boyce, General manager Operations, Woolworths and Lisa Newman-Morris, General Manager Customer Experience, Peninsula Leisure will discuss **“Future proofing your digital marketing strategies to navigate a rapidly evolving digital age”**

ANNOUNCING HEADLINE SPEAKER

TARNYA MCKENZIE

Chief Customer Officer, City of Port Phillip

Tarnya is an accomplished and passionate transformational leader bringing an organisations vision, and outstanding customer and employee experience, to life. Tarnya has over 20 years' leadership and executive experience in strategy, customer and employee experience, digital engagement, partnerships and transformational change across Health, Utilities, Community and Local Government sectors.

Her current role is Chief Customer Officer at City of Port Phillip, where she is driving a considerable customer culture and capability uplift following the successful delivery of a 3-year digital and customer transformation Program.

WHERE YOU CAN CATCH **TARNYA** IN ACTION AT THE CUSTOMER SHOW 2024:

1. *Keynote address at the Citizen Services*

Tarnya will deliver an engaging keynote on **“How the City of Port Phillip developed, adapted and implemented a customer experience framework to deliver an exceptional customer experience across their organisation and its touchpoints”**

2. *Panel Discussion at the Citizen Services*

Tarnya and Jean Sandall, Director Customer Experience, Department of Transport and Main Roads Queensland and Jo Whyte GAICD, General Manager Customer Marketing, NBN will discuss **“Building a robust framework for your digital citizen strategy that meets and exceeds citizen expectations”**

ANNOUNCING HEADLINE SPEAKER

DAN FISCHER

Head of Digital Product and Strategy, Virgin Australia

Dan is passionate about the intersection of commerce and design and the role emotion and context play in building winning digital experiences.

Dan leads the digital product and strategy team at Virgin Australia, and prior to that led the Qantas digital direct channel strategy which included shaping and executing the vision for qantas.com. And the Qantas app. Previously Dan was Multimedia Executive Producer and Deputy Network Editor at News Corp Australia, leading the network's interactive storytelling through major news events including the 2011 Queensland floods, Cyclone Yasi, Japan tsunami and Christchurch earthquakes.

From 2001 to 2010, Dan worked at Telstra in various roles, including designing BigPond's Online Customer Service strategy, which brought incremental annual savings of over \$2 million, and in the BigPond Movies leadership team.

WHERE YOU CAN CATCH **DAN** IN ACTION AT THE CUSTOMER SHOW 2024:

1. Keynote address at the Digital Marketing Programme

Dan will deliver an engaging keynote on **“Exploring how Virgin Australia leveraged smartphone technology to digitise and automate customer experiences, eliminating common pain points in travel and providing an integrated, seamless journey for guests”**

2. Panel Discussion at the Digital Marketing Programme

Dan and Seann Lautner, Senior CX/UX Strategist, Air New Zealand and Kate Doodson, Marketing Manager, Thermo Fisher Scientist will discuss **“Measuring and optimising customer experience metrics as a part of your digital marketing strategy”**

Tuesday, 7th May 2024

10:15 Opening Remarks from the Contact Centre Transformation

Programme Chair
Emma Stapleton
Head of Customer Support, **MECCA**

10:30 Fireside Chat How MECCA is utilising Generative AI and increased visibility of data to increase the efficiency and employee experience of your contact centres

- Taking your employees on a journey and equipping them to adapt to and make the most of new technology
- Gaining real-time insights through the applications of generative AI by allowing agents to resolve issues and upsell effectively to improve employee satisfaction
- Improving contact center efficiency by utilising AI to perform routine tasks freeing up human resources for the performance of more complex tasks

Emma Stapleton
Head of Customer Support, **MECCA**

11:00 Case Study The lived experience of how Alinta Energy repatriated hundreds of jobs back to Australia and the benefits realisation of this process

- Navigating the process of relocating your contact centre to regional Victoria and working with the government to meet your recruitment and training objectives
- Achieving the best cost-benefit balance for your organisation's contact centres to maximise the customer experience
- How onshoring their contact centre roles allowed Alinta Energy to achieve improved customer, regulatory and compliance outcomes

Kevin Watts
Head of Customer Service Excellence, **Alinta Energy**

11:30 Reserved Sponsor Session

12:00

Case Study How Navy health utilised effective leadership to harness the right people and processes and increase their CSAT and Employee Engagement Scores

- Equipping contact centre staff to utilise technology and increased access to data to achieve their required performance metrics
- Communicating and collaborating openly with your contact centre team during the process of change to maintain trust and high service standards during high-stress times
- Gaining buy-in from your teams and senior management for the implementation of new technology and strategies to transform your contact centre experiences
- Navigating the challenges of introducing new technology and upskilling staff in a 24/7 and shift-based contact centre environment

Lauren Reid
Chief Customer Officer, **Navy Health**

12:30

Equipping contact centre agents with the skills and capabilities to navigate difficult conversations and a high stress environment

- Ensuring that contact centre representatives have the required skills to handle difficult conversations with customers facing financial hardship
- Developing conversational frameworks and internal processes that ensure consistency in your message and are scaleable and repeatable
- Building contact centre resilience by ensuring that representatives understand the connection between their roles and your organisational mission

Tanya Eglinton
General Manager Customer Contact, **Bank of Queensland**

1:00

Reserved Sponsor Session

DAY ONE

Tuesday, 7th May 2024

1:30

Case Study

How the City of Port Phillip developed, adapted and implemented a customer experience framework to deliver an exceptional customer experience across their organisation and its touchpoints

- Gaining a thorough understanding of your customers to create the required systems to meet their needs and deliver on required community outcomes
- Navigating the internal change management required as a part of transforming your organisation's approach towards CX through a focus on culture, capabilities and coaching
- Understand how the City of Port Phillip achieved a remarkable improvement on community time saved, service response time and customer satisfaction whilst more than doubling the ROI target for their CX transformation project

Tarnya McKenzie

Chief Customer Officer, **City of Port Phillip**

2:00
