Testimonials

"Tim MC'd our Brisbane West Airport (Toowoomba) open day and did a fantastic job. We had over 28,000 people on the day and Tim engaged them over a 6 hour period in a professional and relaxed way. I would certainly recommend Tim to host or MC at any small or large event."

- Joe Wagner, Toowoomba

"Thank you again to you and the SAHOF Team for pulling together such a wonderful event for Etihad in Brisbane. In particular, could you please pass on our gratitude to Tim Horan for the great job he did as MC. He created just the right mood that we wanted, communicating our key Etihad information while still keeping the event relaxed and fun."

- Etihad Airways

We engaged our Sport Australia Hall of Fame Member Tim Horan AM to take on the role of MC at our recent "Inspire the Nation" an exclusive event which we host in partnership with our major sponsor Etihad Airways.

Known as one of Australia's best-ever Rugby players, and it is clear that world-class skills Tim had as an athlete have translated incredibly well into his off the field media and hosting work.

Tim did a stellar job, he is a highly professional and well rounded MC who injects a sense of vibrancy into the proceedings and importantly, was a pleasure to deal with.

His ability to engage the guests was first class and he did an outstanding job in interviewing our special guest panel Members; Dawn Fraser AO MBE, Ian Healy and Wally Lewis AM.

If you are looking for a professional, knowledgeable and highly entertaining MC we would highly recommend Tim Horan AM.

Career History

- 1999 Rugby World Cup *Player of the Tournament*
- 80 Wallaby Tests (1 Test as Captain)
- 119 Queensland Games (2 years Captain)

“Australian, professional, leader, charismatic, respected, hardworking.”

- ANOP 2009

Tim Horan is possibly the greatest centre Rugby Union has seen. With a 12 year career with the Wallabies, Tim earned his first gold jersey as a teenager against the All Blacks in 1989. Two years later at the 1991 World Cup, Tim was crucial to the Wallabies success, most notably when he gobbled up and scored from David Campese's memorable over-the-shoulder, no-look pass in the semi-final against New Zealand. No try has been given as much replay time since.

In 1994, Tim suffered a potentially career ending knee injury. Doctors had told him he was unlikely to play rugby again. Tim was out of the game for 12 months and made a remarkable comeback at the 1995 Rugby World Cup.

In 1999, Tim became one of only 6 players to have Won 2 Rugby World Cup medals, by guiding Australia to its second World Cup victory. Tim also won a *Years supply of Guinness* for scoring the fastest try in the tournament.
